Term	Definition
Document Retrieval Services Overview	Document Retrieval Service is a cascade solution that locates and retrieves publicly recorded document images at the lowest cost to the Customer. Standard service is for a specific (i.e. Mortgage) or multiple document requests (i.e. mortgage and related assignments) relating to a specific recorded mortgage transaction.
Tier 1 Description:	Automated search of its proprietary database for a specific recorded document image. Delivery consists of an image of a recorded document. No cost for document not found.
Tier 2 Description:	A manual search of its proprietary and third-party electronic databases for image(s) relating to a specific recorded mortgage transaction. Delivery consists of an image(s) of recorded document(s). A transaction resulting in not found of public record will be invoiced at the per unit rate.
Tier 3 Description:	A manual search utilizing a nationwide field research network for image(s) relating to a specific recorded mortgage transaction. A transaction or document resulting as not found of public record will be billed at the per unit rate. Service fee plus all applicable abstractor costs, pay site charges and copy fees to be billed to Customer.
*Order Cancellation Policy:	Customer shall incur no fees if cancellation is received by 5:00 pm EST on the same day that the order was placed. Except for Tier 1 order in process, Tier 2 and Tier 3 order cancellations that occur prior to the order being completed are subject to up to 100% of the applicable fee.
